

MEMORIAL PICNIC TABLE PROGRAM

Memorial Picnic Tables have become an increasingly popular way to remember and pay tribute to a loved one. Our community includes people of all ages that utilize our facilities. They will all enjoy and respect the contribution you have made to provide a wonderful asset to the community.

The Memorial Picnic Table Program will allow an individual to place a memorial table in a designated area (e.g. park and open space) within the Town of Surf City. The table may be a new addition or replacement of an existing table.

Once installed, the family of the honoree will be sent a card acknowledging their family member has been memorialized or honored through this program.

These tables are made of recycled plastic that is durable. The table is subjected to weathering therefore it is guaranteed for 10 years. After 10 years, or when deemed necessary for replacement, the family of the honoree will have the opportunity to replace the bench by contributing another donation in honor of the honoree.

Honor a loved one today, all while helping to improve the beauty of our wonderful community.

HOW IT WORKS

- The applicant submits a completed application.
- Location and plaque final approval will be made by Parks and Recreation Director.

- Upon approval, the applicant will remit the donation made payable to the Town of Surf City.
- After the donation is received, the Table will be ordered and an estimated time of delivery and installation will be provided.
- The Town of Surf City is responsible for the installation, which occurs beginning October 1 until March 31. Unless approved otherwise.
- Once the table is installed we will communicate with the contact person to confirm the Memorial table was installed. A card will be sent to the honoree or the honoree's family acknowledging the donation.
